Completing your profile

1. Fill in the **Policy Nickname**. This will later appear on the main page when you log in next time. For example, you can call it “**Explorer Auto Policy**”.
2. Enter your **Email Address**. This is important – this will be the address that is used when you log in, if you forget your password or have payment receipts emailed.
3. Enter a **Password**. Make sure to create one that you will remember, AND it must be:
 - At least 8 characters long.
 - Contain both alpha and numeric characters. That means at least 1 letter and 1 number.
 - If there is only one letter or number, it can't be located at the very beginning or end of your password.
 - All passwords are case-sensitive, In other words, if you create it with a capital letter, you must always use it like that.
 - Here are some passwords that **WON'T** work (*and the reason why*):
 - 1mydoggy (*One number is used at the very beginning*)
 - 345678a (*One letter is used at the very end*)
 - Bestfriend (*Not a mix of letters and numbers*)
 - mycat12 (*Only 7 characters*)
4. Choose a **Challenge Question** from the drop-down list. This will be used if you ever forget your password.

5. Enter the **Challenge Question Response** – the answer to the question that you will always remember!
6. When you are done with this page, click **Continue**.
 - Note: If you have answered anything wrong, or skipped a step, an error message will appear in **red** at the top of the screen. This message will explain what you need to correct to continue.
7. The Enrollment Confirmation page will appear, as shown. If you wish to change something, you can click Modify. Otherwise, click **Complete Enrollment**.
